

Portable LED Task Lighting

110 volt portable LED lighting assemblies designed to provide safe, low energy, low heat, site lighting. Tasklites and Multilites feature 27W and 37W anti-corrosive, IP65, LED fittings and twin 16A 110V socket outlets to supply small power tools, etc. The overall assemblies are rated to IP44 and can be used indoors or outside. All items are pre-wired with a 5m yellow input cable c/w 16A 110V plug. Tasklites are also available with the addition of integral 3 hour maintained emergency packs. Tasklites are supplied in flat packs with all electrical connections made and require basic assembly prior to use (there is no wiring to carry out). The Multilite is supplied fully assembled.

Spikelite is designed for Railway Line, Kerb and Perimeter lighting applications. Comprising of a mast adjustable from 2m to 3m c/w 2' 27W LED 110V head mounted on a removable section to ease transportation. The mast mounts in a Ground Spike or a floor standing Basket Base.

Also shown below is the Mini Tasklite, which incorporates a 20W LED light source and can be used for task lighting or local area floodlighting. The LED Mini Tasklite is fitted with a 3 metre input lead fitted with a 16A 3P 110V IP44 plug.

Spikelite 2' 27W LED
Part No. S061114

Part No.	Description
S061114	Spikelite, 2' 27W LED 110V head mounted on an adjustable mast
S061115	As S061114 + 3 hour maintained emergency pack
S060465	Ground Spike, Heavy Duty, accepts Spikelite mast
S060468	Basket Base

Tasklite 27W, 2' Emergency
Part No. S060994

Part No.	Description
S060995	Tasklite 5' 37W c/w 2 x 16A sockets, 5m 1.5mm ² cable + 16A plug
S060996	As S060995 + 3 hour maintained emergency pack
S060993	Tasklite 2' 27W c/w 2 x 16A sockets, 5m 1.5mm ² cable + 16A plug
S060994	As S060993 + 3 hour maintained emergency pack

Multilite 27W, 2'
Part No. S060992

Multilite 2' 27W c/w
2 x 16A sockets, 5m
1.5mm² cable + 16A
plug, flat pack

LED Mini Tasklite,
20W c/w 3m yellow
cable + 16A plug

Mini Tasklite 20W
Part No. S061041
